새해 복 많이 받으세요! ("Happy New Year" in Korean)

By Pastor Jason Kim

Looking back on 2015 year, there are many things that I regret: "I should have met and visited more people," "I could have done more," "It would have been better if I did this in another way," etc. From these experiences and the mistakes that I made last year, I have learned how difficult it is for me to serve three churches that differ from each other in many ways, plus one more Korean worshipping community. However, I have been also learned that there are always dedicated, committed, and faithful people who are willing and ready to work with me for the mission and ministry of the church. Without these people in my life and ministries, I would not be able to do anything for our churches.

In this sense, I am very thankful to God for blessing us with new leadership people in 2016 Staff and Leadership for each church. When they were asked by each church's Nomination Committee members to take on various roles in each church, they did not hesitate to say, "yes." In 2016, Holcombe church has *Don Crank, Marge Evjen,*

Inside This Issue

A Word from Our Pastor	1
2016 Staff and Leadership	2-4
Holcombe Book Study & UMW	5
Taste of the Tundra & Loop System	6
Birthdays and Anniversaries	7
January Calendar	8

Saira Caneff, Jan Gezel, and Terry Harper, Jim Falls church has *Karen Petersin, Bill Brehm, Brian Bautch, and Vanette Sherman* and Anson church has *Brent McIlquham.*

Holcombe church also has added a Welcoming Ministry Team (*Sharon West, Cheryl Bingham, Claudette Smith, and Brenda Rhan*) this year. There are also many people who decided to serve in other committees in addition to their current service in the committee they have served for many years.

As 2016 year begins, I also have vision and hope for the things God is ready to offer to us. There is no way to anticipate what is to come but I strongly believe that God has special plans for Holcombe, Jim Falls and Anson United Methodist Churches in this area and in the world. Therefore, let us try harder to get together for worship services, Bible studies, and meetings. Also, let us try harder to pray together for wisdom, knowledge and passion for building and expanding the Kingdom of God in our lives, as it is in heaven.

I pray that God blesses each one of us with abundant blessing, joy, love and peace in 2016 year and forever. Happy New Year~!

Once-a-Month Book Study –

To meet the needs of our young women and working women, the Holcombe United Methodist Women are beginning a book study group. It will be launched on Thursday night, January 21st. at 7:00.

At this opening meeting we will have a number of children's and teen books which will be available for selection by those attending. Since only one copy of each will be available, we will be asking the attendees to select one to take home and use and read preparing comments and thoughts regarding the book at the next meeting which would be one month later. During the first meeting we will also present information about the books that have been selected for the 2016 Reading Program and will include books from the previous two-three years that would still be in the UMW Reading Program. The purpose of that presentation would be to select the type of book that would be of most interest to the group to begin the following month as a group study and discussion or perhaps you have one to suggest.

So, ladies place this date on your calendar and we will share conversation and a dessert time while we discover your interests – whether it be crafting together at some future time or a study of some sort or a mixed “bag” but time spent together away from the business of our everyday lives.

Holcombe United Methodist Women

Twelve members attended the annual Christmas potluck meal and meeting.

Our program was presented by Pastor Jason that focused on the Beatitudes.

During our short business meeting, it was decided to begin a reading/study program on January 21 at 7:00 p.m. The tentative plan is to meet the third Thursday of each month. Watch for more information.

We were all given thank offering boxes so we will be ready for the World Thank Offering next November. We also received "stick people." These are little people that were colored by each of our Sunday School students and glued to a craft stick. We will pray for our stick person student daily. It is hoped that all students will realize that they are loved by Church members and that we care about them.

Contact Mary Pietenpol if you are interested in helping with crafts for the 2016 bazaar. They will soon meet at Mary's house to decide on crafts that they will begin making.

The next UMW meeting will be at 1:30 p.m., January 14. This meeting will be to evaluate 2015 UMW meetings/projects and bring ideas for 2016. We will also complete the hostess/program schedule.

Elaine Sharp, Holcombe UMW Secretary

Taste of the Tundra

January 23rd, 11:30 a.m. at Holcombe United Methodist Church.

It is winter, it is CHILI TIME and time for a little fun.

Chili contest for anyone interested in having their chili judged and then shared by all in a free lunch, at noon. The prize is an unbelievable trophy.

Come for the fun of the contest, \$1 pie and cake walks, silent auction on some pies and cakes, board games, outdoor fun for kids (weather permitting). All are welcome.

--- Chili needs to be in the kitchen by 11:15, in your slow cooker. Count on competition from the neighborhood so put your best chili recipe to the test.

The Loop System

Well, it has finally come to pass..... The LOOP system installation has been completed. This means that when we use the sound system in either the sanctuary or the fellowship hall, those who are hearing impaired will be able to hear much more easily if they have a hearing aid that has the enhancement for those who have "tone" hearing problems. Rog and Mary Paulsen provided introductory knowledge regarding this system that has been developed in recent years and Cliff Lyon contacted vendors and set up times to test the system with as many of our hearing impaired as possible. That turned out very well and the church left the system connected but not properly installed throughout the two areas until we could get the carpet portion of the installation scheduled. This finally happened through Suzanne Pinoow's and the Trustee's support on December 15th. AND WE ARE PROUD TO SAY THAT THE LOOP SYSTEM now works throughout the sanctuary and fellowship area. We can now say that our hearing impaired capability has taken a giant leap forward. Thanks to all who made this happen not only in the discovery but in the financial support of the system.
